Mr. John Francis, Jr.,  
Superintendent., Carlisle Indian School,  
Carlisle, Pa

Dear Sir:

I am enclosing you Oil and Gas Mining Lease covering the allotment of Louisa Kanard, or at lease eighty acres of same. If she desires to make this lease, Mr. French will give her as bonus Two Hundred Dollars. If she will execute same before you and you will return this lease to the Indian Agent, at Muskogee, I will deposit the Two Hundred Dollars with him to be sent to Louisa Kanard. For your information, will say that there is an Oil Inspector connected with the Agency at Muskogee, and should he think the bonus offered was too little, he will require us to pay any additional money before the lease would be approved. In the event we did not meet his appraisalment, we would lose the Two Hundred Dollars already paid as original bonus.

If she decides to make this lease and you will have notary take acknowledgements and mail me amount I will remit to cover. Please mail the lease to Gabe E. Parker, at Muskogee, and notify me and I will remit the Bonus money. *to Mr. Parker.*
